ABOUT US:

Established in Bogor in 1999 under the name PD.Prima Rizky, we are a manufacturer of aerosol products under the ZONE brand for retail and TRITON for industrial applications.

Over time, in response to the increasing market demand, the company expanded from manual production to automated production systems.

We consistently engage in innovation and diversification, both in products and quality management, to enhance quality and cost efficiency.

Presently, we are certified with ISO 9001:2015. Additionally, the company is certified for Cosmetics production, Household cleaning products, and Halal from MUI.
